

# WELCOME TO THE DIALYSIS VISIONARIES WORKS! INC.

## FOR MORE INFO

786.396.4331

DVWOFFLORIDA@GMAIL.COM

DVW is a charitable organization designed to address the needs of the dialysis patients, their families, and the greater Florida dialysis community.

By producing events which are educational, relevant, and fun, DVW seeks to promote the exchange of information and ideas which address and improve the lives of people affected by dialysis.

As a member, you will join patients, family members, friends, healthcare providers and concerned members of the dialysis community committed to improving the dialysis experience - for everyone.

## OUR MISSION

We are a mission-driven organization, serving the dialysis community of Florida.

At the heart of all that we do is a commitment to advancing the interests of our Members: dialysis patients, their families, our caregivers, supporters, and the entire Florida dialysis community.

We carry out our mission through programs, workshops, activities, and events which, together, provide a resource for socialization, information, education, representation, and advocacy for our Members, and the general public.
